SHAMPOO+CONDITIONER

Safety + Quality | High Dilution Ratio | Cost Effective | Great Scent

ALL 50:1 DILUTION,
unless otherwise noted.

WHY 50:1?

As the best value and quality in the industry, these all natural shampoos allow every professional the luxury of the ultimate in pet bathing and deep cleaning. Higher concentration allows you to bathe more animals per gallon - ultimately a cost savings in your wallet.

With shampoo ranging from anti-itch to de-skunking, we o□er something for any circumstance the professional groomer will be faced with.

Which is your favorite?
